U.S. DISTRICT COURT  
EASTERN DISTRICT OF MO.  
ST. LOUIS

United States District Court Eastern Division of Missouri  
Case: Katherine Maria Pinner V. American Association of Orthodontists  
Document Type: Voir Dire Questions

Katherine Maria Pinner Plaintiff	CASE NUMBER 4:22-CV-00870-CDP
Vs.	<b>Voir Dire Questions as Requested in the Court's Pre-Trial Order, Document # 115</b>
American Association of Orthodontists Defendant	

The **Pro Se, Self-Represented Plaintiff** respectfully and kindly submits to the Court and to the Opposing Party the following:

### **VOIR DIRE QUESTIONS**

#### **AS REQUESTED IN THE COURT'S PRE-TRIAL ORDER, DOCUMENT #115,**

1. Do you think, assume, or otherwise judge people who believe in GOD and/or miracles (for example, the Resurrection of Jesus Christ, the multiplication of the fish and loaves, the parting of the Red Sea) as stupid, silly, and/or naïve?
2. Does it offend, disturb, or annoy you to see people wearing or carrying religious symbols and objects (for example, a rosary, a cross, a star of David, a prayer book) or to hear someone quote a religious text?
3. Would you immediately judge someone or form an opinion of someone just because they stated a religion and strongly / sincerely held religious belief with which you were unfamiliar?
4. Do you believe that all people must receive injections and/or wear face coverings no matter the reason (for example, religion or health) and/or do you now or did you at some point in the past own or manage a company in which you were in a position of having to require injections and/or face coverings?
5. Would you judge [positively or negatively] a person who brings suit against a former employer just because they brought suit against that employer?
6. Would you judge [positively or negatively] a person who represents themselves in Court just because they represent themselves in Court?

7. Do you work for, own, or are you otherwise affiliated with a drug company, pharmaceutical company, medical device manufacturer, dental office, dental services organization, orthodontist, or any other company directly or loosely related to drugs, pharmaceuticals, dentistry, orthodontics, and/or related dental or orthodontic treatment, diagnostics, or care?
